

SY24-25
Eaglecrest HS
PTO Board Officer Candidate Statements

Jaime Klein- Co-President Candidate

I moved from New York to Colorado in July of 2021 after my husband retired from the Air Force. We lived here from 2005 - 2010 and fell in love with Colorado, so after he retired this is where we wanted to be. My daughter, Regan, is a freshman at Eaglecrest. I have a 21-year-old son who just graduated from the University of Wisconsin, Madison and now lives in Washington DC. I also have a stepdaughter and 3-year-old granddaughter who live in Missouri. I work as a Contracting Officer for the Department of Defense. I love this community and want to be as involved with the school as much as I can over the next four years.

Thank you,

Jaime Klein

Jennifer Zarate- Co-Treasurer Candidate

My name is Jennifer Zarate. I have three, fun and energetic boys. Two of my boys are currently in school. My son is a freshman at EHS and I have a 5th grader at ANR. My husband and I are EHS alumni. When I'm not working as a nurse, I enjoy being outdoors and reading. I'm excited at the opportunity to join EHS PTO. I understand the importance of being involved and partnering with our educators and community to achieve success and enhance the quality of education.

I also look forward to meeting teachers, staff, and other parents in our EHS community.

Thank you,

Jennifer

Guinevere Munib- Vice President Candidate

My name is Guinevere Munib and I am running for the Vice President position for the Eaglecrest PTO. I have seven children total, two of whom attend Eaglecrest. I love volunteering with the PTO and have done so much of it that I would love to be in a leadership role. I am the Executive Director of my Non-Profit, so I have worked in many capacities that require balancing volunteers, distribution of jobs and goods, etc. I feel that I am a tremendous support and would be a great fit for this position.

Kenna Moreland- Secretary Candidate

Hello! My name is Kenna Moreland.

I am a mother, and wife, an educator, and a business owner. Three of my five children are currently being or have been impacted by Eaglecrest High School. My youngest daughter graduated from Eaglecrest in 2018; while my oldest son is a current senior, and my youngest son is an excited freshman!

I've spent the last 24 years in multiple facets as an educator, starting as a high school Language Arts teacher for the first 13 years before branching out to roles including instructional coach, Dean of Instruction, and school administrator, which all brought me to my current role as an education consultant for a national non-profit. I stick close to this work because I LOVE students – particularly high school students! Being able to see the world the way they see the world, engaging in their sense of humor and sarcasm, and knowing there are so many layers to them that make each one of them unique literally makes my heart beat daily.

Because young people carry such a special place in my heart, I became a Maxwell Leadership Certified Coach with a focus on Parent and Family coaching. This allows me to combine my heart for kids, my respect for parenting in today's day and age, and help families successfully navigate all that everyday life brings their way.

I have cultivated the best of my experiences and skills as a:

- 24 + year public school educator
- Education consultant specializing in strong, equitable classroom instruction with an emphasis on equitable literacy practices
- Parent and family coach
- Church planter and leader
- Wife and mother of 5

to maximize them in accordance with my major heartbeats: motherhood and education. The outcome is **JustAMomNextdoor, Ltd.** At JAMN, my goal is to equip parents, families, and kids of all ages to understand who they have been created to be, and how to leverage their gifts and strengths to reach the ultimate synergy!

I believe in the power of yielding to transformational learning in order to impact future success of self, so that I can also impact the future success of others. I have a calling and a passion to equip others to do the same.

However, I am able to be of service to support the needs of the students, staff, families and community of Eaglecrest High School through service through the PTO or other volunteer opportunities, would be my privilege and my pleasure.

Humbly,

Kenna Moreland
