## DEANS' CORNER

Please excuse absences within 48 hours of absence and utilize the attendance line numbers. Excused absence means the student should be out of the building and off campus. Thank you for your support.

Grandview High School is a closed campus during the school day for all 9th graders, meaning 9th graders are not permitted to leave campus at any time. It is strongly encouraged (but not required) 10th graders remain on campus during regular school hours, including during lunch. To enhance the learning environment, no food will be allowed in the academic hallways. Additional students will not be permitted in the academic hallways during lunch hours without a pass from their teacher.

## SCHOOL SAFETY

### ATTENDANCE LINE

A-L 720.886.6801  
M-Z 720.886.6802

### EVACUATION/FIRE DRILL

The school is evacuated due to a safety concern inside of the building.

### SECURE PERIMETER

All exterior doors are locked in response to a concern of a threat outside of the building. Business is conducted as usual inside of the building.

### LOCKDOWN

Students and staff take immediate shelter in response to a concern of a threat inside of the building.

### SHELTER-IN-PLACE (SEVERE WEATHER)

Students and staff move to "tornado safe" areas on campus, which typically means on the first floor away from windows and doors.

Grandview High School is committed to providing a learning environment where students, staff and community members feel safe. This includes attention to both physical and psychological school safety. Each year, we revise our Readiness and Emergency Management for Schools (REMS) Template, which outlines important safety procedures we follow. This includes items such as our drill schedules and plans for preparation and response to potential school emergencies. On a regular basis we conduct Fire, Secure Perimeter, and Lockdown drills, and we continuously revisit and revise all safety procedures. All of our procedures are designed in accordance with recommendations of best practice made from both external agencies and the Cherry Creek School District. By establishing such proactive measure, and continually reflecting upon and adjusting our plans as needed, Grandview High School strives to promote and maintain a safe learning environment. For any questions related to a school safety at Grandview High School, please contact Jenna Schlehuber, Instructional Support Administrator. 720.886.6840

Grandview Publications (The Chronicle, GVTV, and the View Yearbook) have had a wonderful semester! The highlight being Journalism Day (J-day) at CU Boulder. We took over 50 students who got to learn from professionals in the industry as well as fellow students around the state! The conference which was held October 2nd was put on by the Colorado Student Media Association and is their annual event to showcase student journalism around the state of Colorado. The Chronicle hosted Trick or Treat Street which was an amazing success bringing the community together to celebrate Halloween. All three publications are looking forward to ending the classroom on a high note and continuing to create great content and great journalism! Check out the QR codes below to see our students' work on The Chronicle and GVTV as well as a link to purchase the yearbook!
