PRINCIPAL'S MESSAGE

WELCOME BACK! WE HOPE THE BREAK BROUGHT OUR WOLVES PLENTY OF TIME TO RELAX AND RECHARGE. WE HAVE REACHED THE HALFWAY POINT IN THE SCHOOL YEAR, AND WE ARE BACK AND READY FOR SEMESTER TWO.

JANUARY MEANS THAT WE ARE QUICKLY APPROACHING PREREGISTRATION FOR THE 25-26 SCHOOL YEAR. SOON, TEACHERS AND COUNSELORS WILL BEGIN TO ADVISE STUDENTS ON THE APPROPRIATE CLASSES TO TAKE NEXT YEAR, AND WE ENCOURAGE YOU TO ALSO WORK WITH YOUR STUDENTS TO MAKE SURE THEIR COURSE REQUESTS ARE BALANCED AND TAKE INTO ACCOUNT ALL THAT THEY ARE INVOLVED IN BOTH INSIDE AND OUTSIDE GRANDVIEW. WE WILL CONTINUE TO CHALLENGE STUDENTS AT THEIR HIGHEST LEVELS, BUT NO ONE KNOWS YOUR STUDENTS' ABILITIES BETTER THAN YOU DO.

ON JANUARY 21ST, WE WILL WELCOME A WHOLE NEW CLASS OF WOLVES TO THE PACK WHEN WE HOST WELCOME NIGHT FOR THE CLASS OF 2029. WE ARE EXCITED TO SHOW THEM ALL THE OPPORTUNITIES GRANDVIEW STUDENTS HAVE DURING THEIR FOUR YEARS WITH US. SO, PLEASE HELP US SPREAD THE WORD TO INCOMING 9TH GRADE FAMILIES. IT'S A FUN NIGHT, AND OUR STUDENTS LOVE TO SHOWCASE THE AREAS IN WHICH THEY ARE INVOLVED. WE ARE LOOKING FORWARD TO A SUCCESSFUL SECOND SEMESTER. THANK YOU FOR YOUR CONTINUED SUPPORT. WE ARE A STRONG COMMUNITY BECAUSE OF YOU. AT GRANDVIEW, WE ARE ONE PACK!

Grandview High School is a closed campus during the school day for all 9th graders, meaning 9th graders are not permitted to leave campus at any time. It is strongly encouraged (but not required) 10th graders remain on campus during regular school hours, including during lunch. To enhance the learning environment, no food will be allowed in the academic hallways. Additional students will not be permitted in the academic hallways during lunch hours without a pass from their teacher.

SCHOOL SAFETY

Grandview High School is committed to providing a learning environment where students, staff and community members feel safe. This includes attention to both physical and psychological school safety. Each year, we revise our Readiness and Emergency Management for Schools (REMS) Template, which outlines important safety procedures we follow. This includes items such as our drill schedules and plans for preparation and response to potential school emergencies. On a regular basis we conduct Fire, Secure Perimeter, and Lockdown drills, and we continuously revisit and revise all safety procedures. All of our procedures are designed in accordance with recommendations of best practice made from both external agencies and the Cherry Creek School District. By establishing such proactive measure, and continually reflecting upon and adjusting our plans as needed, Grandview High School strives to promote and maintain a safe learning environment. For any questions related to school safety at Grandview High School, please contact Jenna Schlehuber, Instructional Support Administrator. 720.886.6840

The Power of Multilingualism: Why Studying a World Language is Essential

As registration time approaches here at Grandview, our students are blessed with many choices. Why should they choose to learn a world language?

In today's interconnected world, speaking a second language is a crucial asset. Whether for personal growth, professional advancement, or cognitive benefits, learning a world language opens many doors.

Enhanced Career Prospects and Increased Income

Studying a world language can significantly impact your career. According to *Forbes* magazine, having a second language can boost salary and job prospects by as much as 35%. In addition, “nine out of 10 employers rely on employees that speak a language other than English, particularly when considering business development and expansion into new markets, with 56 percent reporting that their demand for bilingual and multilingual speakers will soar over the next five years.”¹ Employers value employees who can navigate multicultural environments and communicate effectively. In industries like tourism, customer service, and marketing, being able to speak the language of your clients is a significant asset. In healthcare and social services, bilingualism allows for better communication with non-English-speaking clients, leading to improved service delivery. In the military, second language proficiency is a highly sought after skill and a necessity for national security. Clearly, proficiency in a second language is a standout skill that can set you apart in a competitive job market.

Cognitive Benefits of Bilingualism

Beyond employability, studying a world language offers significant cognitive benefits. Bilingualism enhances brain function, improving skills such as problem-solving, multitasking, and decision-making. Learning and using a second language stimulates brain areas responsible for memory, attention, and cognitive flexibility. In the long term, bilingualism can delay the onset of dementia and other age-related cognitive decline, contributing to mental health and well-being.²

In an increasingly globalized world, the ability to speak a second language is more than just an impressive skill—it's a necessity. Investing in language learning is an investment in your future success and cognitive health.

Students at Grandview can choose to learn Spanish which is the second most spoken language in the US, French which is an official language of 29 countries around the world and used as an administrative language in 11 more, Chinese which is a critical need language in the US, or ASL to foster inclusion and connection with our DHH students and community members. Which one will your student choose?

Grandview Publications (The Chronicle, GVTV, and the View Yearbook) have had a wonderful semester! The highlight being Journalism Day (J-day) at CU Boulder. We took over 50 students who got to learn from professionals in the industry as well as fellow students around the state! The conference which was held October 2nd was put on by the Colorado Student Media Association and is their annual event to showcase student journalism around the state of Colorado. The Chronicle hosted Trick or Treat Street which was an amazing success bringing the community together to celebrate Halloween. All three publications are looking forward to ending the classroom on a high note and continuing to create great content and great journalism! Check out the QR codes below to see our students' work on The Chronicle and GVTV as well as a link to purchase the yearbook!
