PRINCIPAL'S MESSAGE

It has been a great start to the 2024-2025 school year! We are at nearly 2,700 students, and we are back in school mode, learning every day. The energy is high, and the climate in the school and at games and activities so far has been fun!

September will be equally exciting as we celebrate Homecoming the week of September 23-28.

Quite possibly the best week of the year for our entire community, Homecoming will be full of opportunities to join us in celebrating current Grandview students and our alumni. Please see the Activities section of this Gazette for more information. We hope to see you all at the parade and the multiple athletic events throughout the week. Our students love working with our feeder schools to share what it means to be One Pack!

Our fall sports are competing, our students are auditioning for the fall musical, and our clubs are meeting regularly. We are taking advantage of the beautiful weather and enjoying being back in school.

Thank you for being a part of this community. We are excited for fall and a successful school year!

Go Wolves!

Dr. Lisa Roberts

Principal

ACTIVITIES

Activities (co-curricular, performance-based, honor societies, service learning, associations, interest clubs, competitive unify) prepare students for the future. The normal curriculum can only go as far to teach and educate students about academic theories. Activities provide the opportunity for students to apply what they have learned in practice to real world settings and outcomes, thus creating a more well-rounded student. My number one goal is to get all our students engaged here at Grandview High School.

COMMUNITY ANNOUNCEMENTS

Regular daily school attendance is a critical factor in school success. Students who are chronically absent from school are at risk of falling behind in academic learning. Poor attendance in early grades can influence whether children read proficiently by the end of third grade. By sixth grade, chronic absence can be a predictor of whether a student is at risk for dropping out of school. Help us meet our goal of having every child in school every day. If your family anticipates an issue with attendance this year, please reach out to our office and we will make a plan to ensure your student gets to school.
