TEACHER APPRECIATION/HOSPITALITY EVENTS

Coffee carts and meals during conferences, lunch for visiting guests on Veterans Day, holiday treats and teacher appreciation week supplies.

DUES AND SUBSCRIPTIONS

Parent Council and PIN dues, the PTCO website, accounting fees, printing, volunteer appreciation and PTCO Insurance.

WEST FUNRAISING PTCO FAQ'S

If we give thru the Family Giving campaign; does that count towards the Wildcat Challenge for our student? For the prizes, etc? What Is the difference between these?

- *The Check-in Fundraiser is primarily a contribution/donation directly from our West Middle School Families done at the start of the school year.*
- *The Wildcat Challenge, in September, is specifically designed as a competition where the students connect with friends, extended family, neighbors, businesses (etc.) in an effort to generate funds from the community at large.*
- *The Family Giving Campaign (typically In the spring) is a 1 week ask of; "if you can help more please do" with small drawings/prizes for those who were able to help at any \$ amount.*

How can I get Involved at West as a parent volunteer?

- The PTCO welcome volunteers for committees and events throughout the year. Information can be found on our website XXXXXXXX. **Expand descriptions? Add QR code?**
