

"ACE" high school & get these in:

"**A**cademics"- get that g.p.a. as high as you can!

"**C**ommunity Service"

"**E**xtra-Curricular's"

Refine your skills:

1. Know your credit standing
2. Look & refine your ICAP. Understand why we make you take the subjects we do
3. Use your tools

Start exploring careers, programs and experiences you would want to pursue after you graduate & find possible career interests! Learn the requirements you will need for those jobs and what majors lead to those opportunities.

Show what you know:

1. Set your goal G.P.A.
2. Complete &/or update your Resume

Plan, plan, plan! Additional things will help for a smoother journey:

- ◇ Attend college fairs & information nights/sessions
- ◇ Look ahead at what scholarships exist- make a calendar
- ◇ Register now for the NCAA if you plan on playing DI or DII sports
- ◇ **Match your high school courses with what you find.**

**EXPLORE~
then Plan!**

**Find what is out
there that is right
for you- Career &
Course Options!**

PLANNING HIGHLIGHTS

REFINE YOUR SKILLS

After mastering your use of Powerschool, Advisory tools & Schoology, focus on the your Graduation Proficiency options

RESEARCH AND PREPARE!

Understand your dreams by researching what Colleges & programs offer your interests, & what their requirements are. Ensure you have "**ACE**"d your year!

SHOW WHAT YOU KNOW

Know your credit standing and make your g.p.a shine! Do well on standardized tests (SAT, Accuplacer's, AP tests) & begin working on your College Essays
