

"ACE" high school by making
sure you are getting these in:

"Academics"- get that g.p.a.
as high as you can!

"Community Service"

"Extra-Curricular's"

Acquire your skills & know your tools:

1. Powerschool- Check your grades & progress weekly
2. Schoology- Get your class materials
3. Naviance- Familiarize yourself on career & college searches

**Start the transition into learning not only
what high school is about, but looking
beyond. Use your Blazer 101 & Advisory
lessons to start your ICAP (4-Year Plan)
Start with the end in mind and look ahead
to what classes you are interested in &
need to meet your goals**

Show what you know:

1. Start strong and stay strong!
2. Using your first transcript, set a goal G.P.A
3. Start recording your activities in your "Resume" to "show"
how you are "ACE'ing" high school

Keep goal setting! Additional things will help for a smoother journey:

- ◇ Look ahead at what scholarships exist. Don't forget- there are many out there
that apply to YOU, RIGHT NOW!
- ◇ Register now for NCAA if you plan on playing DI or DII sports
- ◇ **CHECK OUT THE DIPLOMAS YOU CAN EARN- AND MAKE SURE TO FIT A
CAREER CONCENTRATION INTO YOUR ICAP!**
