

Eaglecrest 9th Grade Registration Form

2025-2026 School Year

Last Name: _____ First Name: _____

Middle School: _____

Pick courses to fill each box:

- Yearlong classes are worth 1.0 credit and take up a full row (both semester boxes)
- Semester long classes are .5 credits and only take up one semester elective box

Students will select 7.25 credits: 4.0 core and 3.0 elective. Students cannot pick which semester or which period they will have classes. This chart is to help understand how many electives will fit into the student's schedule.

Notes on Electives: Choose from *different* categories (Ex: DON'T pick all PE classes. Students can only take 1 each semester). DON'T pick more than 2 first-choice electives from the same category, or you likely won't get them.

Use the back side of this sheet to see all the elective options.

We do not change schedules, only repair them. (Ex- level change when a student is enrolled in the incorrect academic level based on their skill and approved by the department coordinator) We do not allow students to change classes based on preference. ***We cannot make changes to elective classes based on a new interest that developed after this sheet is submitted or a change of heart, for teacher preference, or to have certain study or lunch period.***
