Barnes & Noble Nook

What You Need
- An Overdrive powered library website
- A Nook device
- The USB cable for your Nook
- Adobe Digital Editions (http://www.adobe.com/products/digital-editions.html)
- Overdrive Media Console (http://omc.overdrive.com)
- Your staff or student ID number

Step 1: Install software

For Nook 1st edition or Simple Touch: Download Adobe Digital Editions onto a PC or Mac computer (see page 22). You will also need to authorize your computer with an Adobe ID.
- Compatible formats: EPUB and PDF eBooks

For Nook Color, Tablet, HD, or HD+: Download the Overdrive Media Console app from your device's app store (see page 24). You will also need to authorize your Nook with an Adobe ID.
- Compatible formats: EPUB and PDF eBooks and MP3 audiobooks

For Nook reading apps: Download the Nook app from your compatible device (http://www.barnesandnoble.com/u/nook-mobile-apps/379003593/). The app requires a Nook account and cannot directly be used to checkout from the library but will sync purchased or checked out content.

Step 2: Browse, check out, download

For Nook 1st edition or Simple Touch: Use a computer to view the Overdrive catalog (http://cherrycreekschools.lib.overdrive.com)

- Check out and download an EPUB or PDF eBook using your PC or Mac computer. The eBook will open in Adobe Digital Editions. Plug in your Nook by USB cable to the computer. Transfer the eBook to your Nook with a drag and drop from your Adobe Digital Editions library to your device bookshelf.

For your NOOK Color, Tablet, HD, or HD+:
- Open the Overdrive Media Console App on your device. Use 'Get Books' to find your library and complete the checkout process. Tap the 'Borrow' button to open the title on your device.
  - **eBooks**: When you download an eBook (EPUB or PDF), your selection will open automatically in Overdrive's app, letting you read right away. Features include bookmarking, brightness controls, night mode, text size adjustment, orientation lock, the option to return an eBook, and more.
  - **Audiobooks**: When you download an audiobook (MP3) Overdrive's app automatically opens the title so you can listen to it right away. Features include bookmarking, a volume slider, skip back 15 seconds, a sleep timer, the option to return an audiobook, and more.

Amazon® Kindle

What you need
- An Overdrive powered library website
- A Kindle or a Kindle reading app
- The USB cable for your Kindle
- An Amazon account
- Your staff or student ID number

Step 1: Install software

For Kindle 1st gen, 2nd gen, DX, Keyboard, Paperwhite, Touch: No software is needed to checkout eBooks. Use a computer to checkout Kindle format books; sign into your Amazon Kindle account; download to Kindle by USB or Wi-Fi.
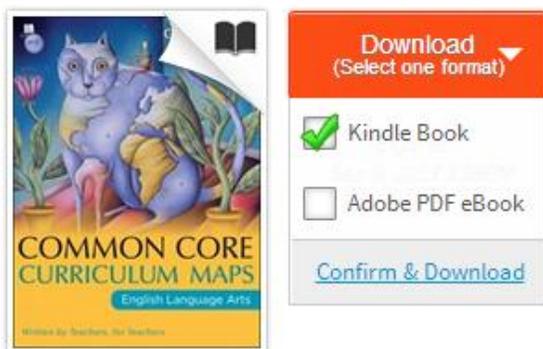

For Kindle Fire: Download the Overdrive Media Console app from your device's app store (see page 24). You will also need to authorize your Kindle with an Adobe ID.
- Compatible formats: EPUB and PDF eBooks and MP3 audiobooks

For computers and other devices: See Free Reading Apps at Amazon.com for instructions. (http://www.amazon.com/gp/feature.html?ie=UTF8&docId=1000493771)
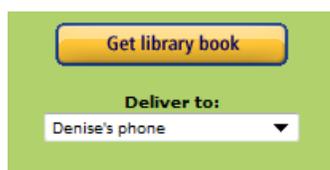

Step 2: Browse, check out, download

For Kindle 1st gen, 2nd gen, DX, Keyboard, Paperwhite, Touch: From a computer, view the Overdrive catalog (http://cherrycreekschools.lib.overdrive.com) and check out any book. If you only want to see Kindle format books, it may be helpful to use the advanced search feature. Confirm the checkout. You will automatically be redirected to the Amazon website to send the title to a Kindle device. You will need to sign into your Amazon account to complete the download to Kindle by USB or Wi-Fi.

Select which of your kindle devices to use and click on 'Get library book'

Library eBooks that come in a Kindle format can be read on Kindles and Kindle reading apps on many devices. Kindles with a Wi-Fi internet connection can download most books directly from Amazon. Some Kindles may require you to manually transfer the eBooks from your PC or Mac via USB. You can check out Amazon's support page for instructions on how to do this.

If your device supports Wi-Fi delivery, start your Kindle or Kindle app to complete the download.

Certain publishers' titles are not available for over-the-air delivery. If over-the-air delivery is not available, you will need to download the title to a computer, then load it on to your Kindle via USB.

Kindle Books checked out from your library are saved to your Kindle account so that you can download them again whenever you need to during the lending period.

Once you deliver a library book to your Kindle or Kindle reading app, it reads just like any other Kindle Book. Any notes you take, or bookmarks you make will be saved. If you ever check out the same title again, or buy it from the Kindle store, you'll find your notes safe and sound right where you left them.

Another option is to read eBooks borrowed from your library on Kindle Cloud Reader. All you need is a compatible browser (Chrome or Safari) and an Internet connection. As long as you're online, you can read Kindle Books right from your web browser.

When you read Kindle Books from your library, your bookmarks, notes, and reading progress are all synced with your Kindle account. That means, if you make a note in a book you're reading on the Kindle Cloud Reader, you can look at it later on your Kindle or Kindle Reading App as long as you have Internet access.

Other eBook readers

What you need
- An Overdrive powered library website
- A compatible eBook reader (http://www.overdrive.com/drc/)
- The USB cable for your eBook reader
- Adobe Digital Editions (http://www.adobe.com/products/digital-editions.html)
- Your staff or student ID number

Step 1: Install software

eBooks: Download Adobe Digital Editions onto a PC or Mac computer (see page 22). You will also need to authorize your computer with an Adobe ID.
- Compatibility varies by device. For a full list see http://www.overdrive.com/drc/ebook-audiobook

Audiobooks: Download Overdrive Media Console onto a PC or Mac computer (see page 23). You will also need to authorize your computer with an Adobe ID.
- Compatibility varies by device. For a full list see http://www.overdrive.com/drc/ebook-audiobook

Step 2: Browse, check out, download

Use a computer to view the Overdrive catalog (http://cherrycreekschools.lib.overdrive.com)

Check out and download an EPUB or PDF eBooks using your PC or Mac computer. The eBook will open with Adobe Digital Editions. Plug in your eReader by USB cable to the computer. Transfer the eBook to your eReader with a drag and drop from your Adobe Digital Editions library to your device bookshelf.

Check out and download an MP3 or WMA audiobooks using your PC or Mac computer. The eBook will open with Overdrive Media Console. Plug in your eReader by USB cable to the computer. Transfer the audiobook to your eReader using the 'Transfer' wizard in Overdrive.

Sony Reader

What you need
- An Overdrive-powered library website
- A Sony Reader
- Adobe Digital Editions is needed to transfer eBooks to all Sony Reader models except the Reader Wi-Fi. (http://www.adobe.com/products/digital-editions.html)
- Your staff or student ID number

Step 1: Install software

For Sony Reader Daily Edition; Pocket Edition; Touch Edition: Download Adobe Digital Editions onto a PC or Mac computer (see page 22). You will also need to authorize your computer with an Adobe ID.
- Compatible formats: EPUB and PDF eBooks
- If your reader is not recognized by Adobe Digital Editions, you may need to install the Sony Reader software. See Overdrive help. (http://help.overdrive.com/article/0641)

For Sony Reader Wi-Fi: No software is needed to checkout eBooks. Use the built in bowser to checkout EPUB or PDF format books.

Step 2: Browse, check out, download

For Sony Reader Daily Edition; Pocket Edition; Touch Edition: Use a computer to view the Overdrive catalog (http://cherrycreekschools.lib.overdrive.com)

- Check out and download an EPUB or PDF eBook using your PC or Mac computer. The eBook will open in Adobe Digital Editions. Plug in your Sony by USB cable to the computer. Transfer the eBook to your device with a drag and drop from your Adobe Digital Editions library to your device bookshelf.

Sony Reader Wi-Fi: use the Public Library button or the built in Browser to download titles directly. Just search for your library, Cherry Creek School District, http://cherrycreekschools.lib.Overdrive.com, and start browsing straight from your device. When you find an eBook you like, add it to your cart, follow the prompts to check out, and download it to your device.

Android phones and tablets

What you need
- An Overdrive-powered library website
- An Android device v2.2 (or newer)
- Overdrive Media Console for Android, http://omc.overdrive.com
- Books in Kindle format may be read with the Kindle App for Android
- Your staff or student ID number

Step 1: Install software

You'll need Overdrive's Media Console app for Android to enjoy eBooks (EPUB) and audiobooks (MP3) on your device. You'll also need to authorize your device with an Adobe ID.

To use an eBook in Kindle format, download the Kindle App for Android. See Free Reading Apps at Amazon.com for instructions.
(http://www.amazon.com/gp/feature.html?ie=UTF8&docId=1000493771)
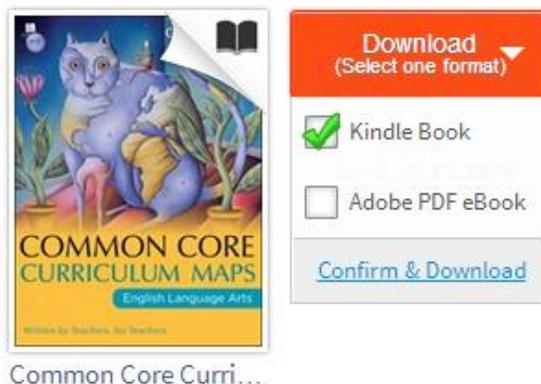

Step 2: Browse, check out, download

For EPUB or MP3 formats, open the Overdrive Media Console app on your device. Use 'Get Books' to find your library and complete the checkout process. Tap the 'Download' button to open the title on your device.
- **eBooks**: When you download an eBook (EPUB), your selection will open automatically in Overdrive's mobile app, letting you read right away. Features include bookmarking, brightness controls, night mode, text size adjustment, orientation lock, the option to return an eBook, and more.
- **Audiobooks**: When you download an audiobook (MP3) Overdrive's mobile app automatically opens the title so you can listen to it right away. Features include bookmarking, a volume slider, skip back 15 seconds, a sleep timer, the option to return an audiobook, and more.

If using the Kindle app to read eBooks:

Use the browser on your Android device, and view Overdrive catalog at
http://cherrycreekschools.lib.Overdrive.com

Check out any book that displays the 'Kindle Book' icon.

Confirm the checkout.

How to authorize Overdrive Media Console app for iOS using an Adobe ID

Whenever you use a new computer or device for eBooks from an Overdrive-powered site, you will be prompted to 'Authorize'. To enjoy eBooks on additional computers and devices, be sure to authorize each with the same Adobe ID. You may authorize up to 6 computers and / or devices.

What you need
- Your iOS device (iPhone/iPad/iPod touch)
- Overdrive's mobile app for iOS (iPhone/iPad/iPod touch)

Install OMC using your device
1. Open the App Store on your iOS device.
2. Enter 'OverDrive Media Console' in the search box. Tap **Search** on the keyboard.
3. Tap **+Install** or **+Free** next to OMC from either the app details or search results screen.

4. Tap Install App.

5. OverDrive's mobile app for iOS is now ready to go, just open and enjoy!

How to authorize
1. A prompt displays the first time you download an eBook to Overdrive Media Console for iOS.

2. If you have an Adobe ID…
   - Enter your Adobe ID and password.
   - Tap **Authorize**.
3. If you do not have an Adobe ID…
   - Tap Get a free Adobe ID. This will open Adobe's website.
   - Follow the steps to create an Adobe account.

- Return to Overdrive Media Console for iOS. Go to: *Get Books+ > Settings >* **Authorize**.
- Enter the email address and password for your Adobe ID.
- Tap **Authorize**.

Important: If you would like to download the same eBook to another computer or device, be sure to authorize using the same Adobe ID.
