Moose Nation,

This year is shaping up to be our best one yet. As we get into the full swing of things, there are endless reasons why Altitude is the best school around! In honor of our 7th year as a school, I wanted to share my “lucky seven” things that make Altitude great this month (and beyond)..

- 1. The best kids, families, and community! Thank you for your excitement and support as we returned to school. From goal setting conferences to volunteering in classrooms to supporting our Boosterthon, we truly have the best community around.
- 2. Our RISE Values- It is magical to see these values exemplified by our students and staff day in and day out. Taking Responsibility for choices, showing Integrity in our words and actions, Service to others, and demonstrating Empathy all help us to be the best Moose we can be!
- 3. High Expectations for ALL- the beginning of the year is a time where we set the standards high for all of our students because we KNOW they can meet them. From our preschoolers all the way up to our 5th graders, we make sure that we never settle with our expectations and work hard to help all students meet them.
- 4. Relationships- The beginning of the year is evidence of strong relationships continuing and new relationships growing. There’s nothing better than when kids light up about their teachers or another adult in the building. Those relationships are the driving force of everything we do. Buddy classrooms are getting started and kids are already telling me who their buddy is and how excited they are to spend time together.

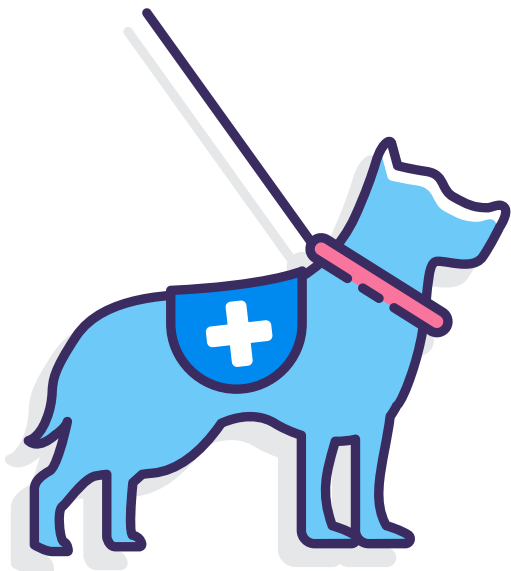

MOOSE TRAX

- 5. Opportunities are in abundance this year. Integrated Arts clubs, field trips, genius hour, our innovation programs, buddy classrooms, and so much more. We have events galore and they are door-busters because our community, you all, show up! Many of these opportunities are made possible with the funds earned through Boosterthon. Our Boosterthon Fun Runs will be Thursday, Sept 5th. Thank you for supporting our Boosterthon to help our school!
- 6. Our fabulous PTCO- they are the brains and brawn behind so many of our beginning of the year events like the Carnival and Boosterthon. They work hard to support our school in so many ways. We are grateful for them! We hope to see you at the Carnival, tonight, Friday, August 30th from 5:30-7:30pm.
- 7. Safety- We never take safety for granted and I am grateful to be at a school and in a district that implements safety and security protocols diligently to keep our students safe. We are also excited to have our Watch D.O.G.S. (Dads of Great Students) volunteer program returning this year. This national program was originally started as a way to have dads get involved and keeping schools safe for kids. The program has evolved from just providing extra school security to an opportunity for important male figures in our students' school lives by volunteering in classrooms, on the playground, and around the school.. We will be hosting a kick-off event September 11th @ 6:00pm, where we will share more and recruit more of our awesome dads to come spend the day with us. (More details at the end.)

I feel lucky to be a part of Moose Nation and while I only listed 7 reasons today, there are 7,000 more not on this list. Thank you all for your continued support. See you at the Carnival, the Boosterthon Fun Run, or maybe even as a Watch D.O.G.S. volunteer soon!

Proud to be a Moose,
Emily Kimpton

- **Powerful Parenting** – discover how to let your values guide your parenting choices
- **Everyday Parenting** – create rhythms and routines that set your family up for success
- **Tech Savvy Parenting** – what you need to know to parent safely in a digital world
- **Body Safe Parenting** – learn about the importance of having (and how to have) developmentally appropriate conversations with children about their bodies, boundaries, and relationships and the direct connection between these topics and safety in the modern world

Dates for this series are:

10/2	8:15am -10:00 am
10/30	8:15am -10:00 am
11/20	8:15am -10:00 am
12/4	8:15am -10:00 am

*Prepared Parent University is free of charge and open to the first 25 people who sign up.

If you would like to sign up for all four sessions, please contact Dr. Amber Waheed at 720.886.4318 or email her at awaheed@cherrycreekschools.org.
