We want you here.

Every student, every day.

#AttendanceMatters

We want to remind you of the importance of maintaining regular school attendance. Missing school can create gaps in learning that are difficult to catch up on. Make-up work does not fully help students recover missed instruction, and one student's absence impacts classmates' progress due to the collaborative nature of learning. Every school day counts in helping your child grow academically, socially, and emotionally. We encourage you to plan travel and events around the school calendar whenever possible. If you know your child will be absent, please let us know in advance so we can support their continued learning.

Thank you for helping us meet our attendance goals.
