Great Start to the School Year!

I can't believe school has been in session for three weeks! Your children came to school excited, engaged and ready to learn. Their behavior and work ethic has been outstanding so far! We know that our children's attitudes and readiness for the beginning of the school year do not happen by accident. Thank you for all the work you do as parents and guardians to get our students prepared for school! The guidance and support you have provided to help us navigate the challenges of soft start, social distancing, and staggered dismissal have been much appreciated!

Parent Reminders:

Kiss-n-Go Front Loop: Please have student backpacks and lunches accessible by your children so you do not have to exit your vehicle to assist them with these items. Getting out of your car to wish your children well or gather materials for them makes it difficult to proceed through the loop for all others behind you.

Student Arrival: Please instruct your children to make their way to their grade level doors in the morning after being dropped off. If you arrive after **8:05 a.m.**, you may instruct your children to enter through the front door.

No Dogs on Campus: Please do not bring dogs on campus during before and after school drop off and pick up times. Some of our students have severe allergies, some have had frightening experiences with dogs, and all dogs can be unpredictable under stress.

Use Crosswalks: Canyon Creek is fortunate to have two crossing guards who assist children getting across the streets and the loop. Although it may be convenient to cross in the middle of the loop, it sends the message to children that rules and safety are unimportant.

Please check in at the front office if you need assistance. Our children's safety is of utmost importance to us. Knowing who is on the campus at all times is paramount to delivering a safe environment. If it is your first time visiting Canyon Creek, please ask our front office secretaries, Tammie Elliott and Krystal Vigil-Gonzales, about registering in the **Raptor System**. Please visit the district website for more information about district-wide safety initiatives. (www.cherrycreekschools.org)

Thank you for the privilege of working with your children! Although the world is facing such challenging times, the presence of our children in school is an absolute silver lining!

Warm Regards,

Michael Chipman

**FALL PICTURE DAY WILL BE:
Wednesday, September 9, 2020**

Dear Parents,

This year your school is sponsoring an online picture program with Van Gogh School Photographers. All students will be photographed individually. Approximately two weeks after picture day, a proof will be sent home with your student that will include information on how to view their picture(s) as well as how to place your order online.

All orders placed, will ship directly to the students home .

What to Wear?

Solid colors are suggested.

Please avoid wearing green

Readiness and Emergency Management for Schools (REMS) in Cherry Creek Schools 2018-2019

As a result of funds received in 2005 from the Emergency Response and Crisis Management (ERCM) grant from the Office of Safe and Drug Free Schools, all leadership and school safety/crisis teams in the Cherry Creek Schools have been receiving ERCM training. We have developed updated and effective emergency response plans and procedures that align with state and federal Homeland Security Emergency Management and the National Incident Management System (NIMS).

Since 2005, Cherry Creek Schools has improved communications with our community agencies, trained key staff to provide for the emotional impact of a crisis on students and staff, and developed sustainable training materials and crisis response kits for our. In 2011, the ERCM process has been changed to Readiness and Emergency Management for Schools (REMS). We are committed to continuing this effort with REMS training.

We would also like to take this opportunity to inform parents about new changes to the Cherry Creek School District's website that now give parents needed information about school safety and related issues. The website explains the district's efforts to provide for both the physical and psychological safety of our children, and gives parents links to excellent online resources. This section of the district website continues to be under construction and materials will be updated as needed. You can view the information by going to www.cherrycreekschools.org and selecting the Safety & Security Quick Links

Topics and information include:

What to Do in the Event of an Emergency

Information about the CCSD Comprehensive Safe Schools Plan

Care Line Information (Revised 2011)

Other Resources, Links and/or Handouts:

Bullying/Harassment

Crisis Resources

Internet Safety

Parenting

Personal Safety (neighborhood, strangers, etc.)

Violence Prevention

For more information about your school's crisis planning, please contact your school's Principal. For further information about REMS planning in the schools, please contact Randy Councell, Director, Office of Safety and Security, 720-554-4489, or Ronald Lee, Psy.D., Mental Health Coordinator, Safe Schools Design Team, 720-554-4252.
