MESSAGE FROM THE PRINCIPAL

Hello Polton Families,

March 1, 2025

Thank you Polton community for your continued generosity. Overland High School, our feeder high school, just wrapped up another Wish Week. Over the past several years, our community has helped Overland raise over \$100,000 to support Make a Wish Colorado. Once again, **Polton pulled off a 5peat!** Meaning, we've raised the most money out of all the Overland feeder elementary schools and middle school for the fifth year in a row! This money went to Aaliyah, who had the wish to go to Disneyland. We could not have done this without all of you! We just had our spring lockdown drill on February 25th which is always a good checkpoint for us to review our safety procedures. Just a friendly reminder regarding our safety practices as a school:

- Visitors and families can only enter through Door #1 and must check in with the office for every visit. Visitors and families will sign in, be checked through our Raptor System, and receive a visitor sticker.
- When you sign in, our office staff will ask you where you are going and how long you expect to be in the building. If plans change and you stay longer or go to another part of the building, no problem! Just go to the office and let them know.
- If you would like to volunteer, please email the teacher beforehand to arrange dates and times.

We know these processes may take a few minutes, and we greatly appreciate your patience and understanding. This is all in the name of safety for our kids!

-CMAS (Colorado Measures of Academic Achievement) testing is approaching in April. CMAS is given once per year to all 3rd-5th grade students with the purpose of determining what degree students have mastered English/Language Arts, Math, and Science Standards for their grade level. CMAS is one piece of data that contributes to all of the ongoing data we collect to support all students. Third, fourth, and fifth grade students will take English/Language Arts (ELA) and Math. Fifth grade students will also take Science. We want to ensure Polton's participation rates continue to reach the Meets Participation guidelines (95% or more of our students participate in testing). Federal law states that 95% of students need to take the required assessments, so our goal is that over 95% of students in grades 3-5 participate in the test so that we have accurate assessment data in order to identify next steps for our school community. We are in our second year of being at the performance level for our CMAS results which is the highest level a school can achieve. We still have room to grow within that level and we hope to do so this year!

-It is important that students are prepared for CMAS. Our teachers will continue their instruction while also focusing on test taking strategies and exposing our students to the testing platform so students know what to expect, how to use testing tools, and how to express their knowledge in the best possible way! Please make sure your student is well-rested, has breakfast, and is at school on time. Breakfast is always available in Polton's cafeteria starting at 7:40 am. **PLEASE, PLEASE, PLEASE** avoid scheduling appointments during the mornings of April so all of our kids are at school for testing with their classrooms! **If you do know of an absence during April that cannot be avoided, please reach out to your classroom teacher as soon as possible!**

MESSAGE FROM THE PRINCIPAL

Continued

March 1, 2025

-As an entire building, we also make sure we pump up our 3rd-5th graders for this opportunity to show their knowledge. Our primary grades decorate the hallways and our morning announcements start off with encouraging music! In order to ensure we have enough testing time every morning, some grade levels will switch their Integrated Arts time. Please see the attached CMAS schedule for your grade level. **If you have any questions about CMAS, please feel free to reach out to Courtney Blume, Assistant Principal.**

-We look forward to seeing you all in the building for our upcoming Parent-Teacher Conferences. If you have not already signed up for one, please reach out to your teacher. We will also have our Scholastic Book Fair in our CLC during the following hours:

-Book Fair dates/times:

Monday, March 3rd 8:15am-5:45pm

Tuesday, March 4th 8:15am-2:30pm

Wednesday, March 5th: 8:15am-5:45pm

Thank you for all that you do to support Polton!

Polton: Where Incredible Happens Daily

Sincerely,

Angie Lore, Principal

Courtney Blume, Assistant Principal

WONDERING HOW TO HELP YOUR CHILD IMPROVE SCHOOL ATTENDANCE?

10 TIPS TO HELP ATTENDANCE MATTERS

Good attendance is a parent and student responsibility. Help your child understand why going to school every day matters. Reinforce that showing up to school consistently is an important life skill that will help them be successful in their future.

2 HAVE A NIGHT TIME ROUTINE

Having a night time routine makes for a much smoother morning. Here are some helpful ideas:

- *Clean out and organize backpack.
- *Complete any homework.
- *Lay out clothes/shoes the night before.
- *Pre-prep breakfast.
- *Make lunch at home the night before.
- *Go to bed on time.

3 HAVE A MORNING ROUTINE

Help your child learn the value of a regular routine. Do your best to do the routine the same way every morning. Don't drag out the goodbye process—it makes leaving home even more difficult.

4 LEAD BY EXAMPLE

Be a good example and enforce rules. Speak highly of the school and support staff. Don't let your child take time off school for minor reasons. Don't let your child persuade you into making an excuse for them to miss school.

5 OPEN COMMUNICATION

If your child doesn't want to go to school, determine the reason(s) why. Have open communication with their teacher and other school staff in order to create a strong support system.

6 BE PREPARED FOR SETBACKS

Don't get discouraged with regression. Going back to school after a long weekend, holiday break, or illness can cause school avoidance to flare up again. Be prepared for this and remember consistency is the key.

7 DON'T GIVE UP

The best gift you can give your child is to not give up... even when you feel like it. There's no "quick fix" in overcoming school anxiety. The best lesson your child learns is they CAN do hard things and be successful.

8 KEEP A SCHOOL CALENDAR

Keep a school calendar. Write down all important dates, holidays, events that will take place each month. This helps your child be aware of what is coming up and to help them be prepared in advance for commitments. It is also a convenient place to document absences.

9 TEACH PROBLEM SOLVING SKILLS

Learning to handle problems effectively is a valuable life skill. When problems arise, don't rush to solve your child's problem for them. Encourage them to come up with their own ideas of solutions to their problems.

10 TEACH CALMING STRATEGIES

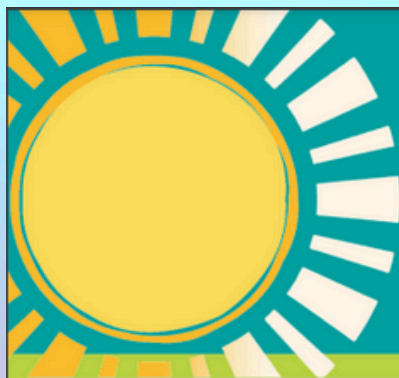

Teaching your child calming strategies is a great way for them to take an active role in overcoming school avoidance.

Easy Deep Breathing Exercise:

Inhale through nose. Hold for five seconds. Exhale through mouth. Repeat three times.

Please call the ATTENDANCE LINE directly for ALL Absences and Tardies 720-747-2695 ← Save this number in your phone!

Stretch Your Grocery Budget With **SUMMER EBT**

Summer EBT provides **\$120** per eligible school-aged child to buy more of your family's favorite nutritious food while schools are out on summer break.

What can I buy?

Buy foods like fruits, vegetables, dairy, bread, meat, poultry and fish. Use Summer EBT at stores that accept SNAP, like grocery or corner stores, and online at King Soopers, Albertsons, Amazon or Walmart.

Your student may be eligible if:

- They attend a school that participates in the National School Lunch Program (NSLP) and qualify based on household income
- The student's family receives SNAP or Colorado Works
- Your student receives Medicaid AND qualifies based on household income using the NSLP income guidelines
- They are in foster care, a migrant, or experiencing homelessness

This institution is an equal opportunity provider. Summer EBT funds are available to households regardless of immigration status.

Scan or visit our website at cdhs.colorado.gov/summer-ebt for more information!

Not automatically enrolled, but believe you're eligible?

For Cherry Creek School District Complete a Household Income form at www.myschoolapps.com, or call the Summer EBT Support Center Hotline 800.536.5298

camp comfort

Dear Parent or Guardian,

While issues of grief and loss are hard for anyone to handle, they can be especially painful and confusing for children. Sharing with other children who are in similar situations and knowing that they are not alone can be very helpful. We invite your child to take part in a positive, healing experience with Camp Comfort.

Founded in 1995, Mount Evans Home Health Care & Hospice's bereavement camp has helped more than 2,000 grieving children ages 6 to 12 find a path through their grief. Camp Comfort will be offering two weekend long camps in the mountains and one day camp for three days in metro Denver this summer. Children learn ways to cope with their grief through workshops and activities, building skills to help them now and throughout their lives. Workshops are balanced with exciting recreational and creative activities, so that children feel free to have fun and just be kids.

Our hope is that an experience at Camp Comfort will assist your child in understanding their loss while having fun and finding support with other children who have lost a loved one.

With Hopes of Healing,
The Camp Comfort Staff

Ages 6-12
SPOTS ARE LIMITED, CHECK OUT
WEBSITE FOR MORE DETAILS

Click Here

Estimado padre o tutor,

Si bien los problemas de duelo y pérdida son difíciles de resolver para cualquiera, pueden ser especialmente dolorosos y confusos para los niños. Compartir con otros niños que están en situaciones similares, situaciones y saber que no están solos puede ser de mucha ayuda.

Invitamos a su hijo a participar en una experiencia positiva y curativa con Camp Comfort. Fundada en 1995, Mount Evans Home Health Care & Hospice, Camp Comfort ha ayudado a más de 2,000 niños en duelo de las edades de 6 a 12 años a encontrar un camino a través de su dolor. Camp Comfort ofrecerá dos campamentos de fin de semana en las montañas y un campamento de día para tres días en el área metropolitana de Denver este verano. Los niños aprenden maneras de afrontar su duelo a través de talleres y actividades, desarrollando habilidades para ayudarlos en el presente y durante toda su vida. Los talleres están equilibrados con actividades emocionantes, recreativas y creativas, para que los niños se sientan libres de divertirse y ser simplemente niños.

Nuestra esperanza es que una experiencia en Camp Comfort le ayudará a su hijo en la comprensión de su pérdida mientras se divierte y encuentra apoyo con otros niños que han perdido a un ser querido.

Con esperanzas de curación,
El personal del campamento
Comfort
