# Meet Monty & Carole

Once again we welcome a new graduating class! It has been our pleasure over the past 42 years to photograph the best and the brightest seniors coming to us from all over the nation. We are very proud of our staff and even more proud of the beautiful photography our artists and photographers produce.

As our way of saying thank you, we enjoy supporting our schools, community, and many charities. We are proud to donate to all who ask! This past year we donated a retail value of \$355,471 to these causes. We have given over \$100,000 to the Make-A-Wish Foundation of Colorado®.

Over the years, we have trained many photographers. We have also been recognized by our peers and have earned the prestigious Master of Photography degree bestowed on very few by the Professional Photographers of America. Other awards include the Kodak Award of Excellence and Intermountain Photographer of the Year. We have also been voted Colorado Photographer of the Year and Best of the Best year after year. We invite you to visit our studio, meet our staff, and see why we are so proud of what we do! We look forward to meeting you!
