# Tour Realities

- 1) The accommodations we are using in Ireland are based on 2 beds in a room, which is reflected in the trip cost. Any request for additional persons in a room would be handled on an individual basis.
- 2) The flights are booked as a group and seats are assigned by the airline in a block. While no specific seat requests can be honored, dietary restrictions and allergies can be honored.
- 3) This trip is planned for the students, and is about, the students. We are thrilled to have adult travelers, but the student's itinerary and needs always must come first.
- 4) Individual travel requests will be accommodated if possible.

# Additional Thoughts

- 1) Chaperones: A stipend will be available for adults who would like to be chaperones. This job does come with additional duties and restrictions.
  - 2) Did we mention how much fun this will be?
  - 3) Jazz Band performance is contingent upon instrumentation
- 
- A large yellow triangle is positioned in the bottom right corner of the slide, pointing towards the top right.
